**JUST ASK YOUR DEALER.**

Design By U is a complete process to help you drive away in a Cobalt personalized to your needs, and only your Chevy dealer can offer it.

1. Ask your dealer about Chevy Accessories or check out Chevy.com and get inspired.
2. Share your ideas with your dealer. They'll use their Accessories Reference Catalog (ARC) to find the accessories you want.
3. Select your favorite accessories. Ask your dealer to calculate the cost as a monthly payment and see how it can be rolled into the monthly financing of your new-vehicle purchase.
4. Be confident that Chevy Accessories are designed to stand out and tested to stand up. Your dealer will tell you about coverage under the New-Vehicle Limited Warranty.\*
5. Allow your dealer to arrange installation of your accessories so you can quickly get your new Cobalt delivered the way you want it... *designed by you.*

\*Fully backed by GM. Chevy Accessories permanently installed at the time of new-vehicle delivery are covered under the New-Vehicle Limited Warranty. If installed after delivery, coverage on parts and labor is for the balance of the new-vehicle warranty or a minimum of 12 months or 12,000 miles, whichever comes first. Chevy Accessories not requiring installation or purchased over the counter carry a 12-month limited warranty on parts only. Does not apply to licensed products.

Chevy Accessories are available from all Chevy dealers. They can provide prices and order any Chevy Accessories not currently in their stock. Product specifications and descriptions were correct when GM published this catalog. GM may improve, discontinue, or change any parts without notice.
